

# NU-SAFE TILE & CONCRETE CLEANER

Degreaser + Increases Floor Traction

Nu-Safe Tile Cleaner is a degreaser and floor safety treatment in one single bottle. In addition removing grease, soap scum and other build-up, Nu-Safe Tile Cleaner increases the coefficient of friction (COF) and floor traction, which helps reduce slip and fall accidents on wet floors. When integrated with daily floor maintenance, your floors will be both cleaner AND safer.

## DETAILS

--Ideal for use on **ceramic tile, quarry tile, porcelain, terrazzo** and **concrete**.

-Tile Cleaner can be used with a mop, sprayer, pressure washer or steam cleaner. Apply and allow it to stand on the floor surface for 5-10 minutes. Let the cleaner do the work! Scrub it with a deck brush or doodle bug to cut through any grease build up. Rinse with cold or hot water and squeegee to a drain if possible.

-*Not recommended* on marble or high shine floor surfaces.

## FEATURES

- Daily maintenance floor cleaner and degreaser
- Removes grease, soap scum and other build-up
- Safe on hard tile surface's and great on grout
- Works great on concrete floors in addition to tile.
- Increases coefficient of friction (COF) and floor traction, aiding in reducing slip and fall accidents on wet floors.

**Independently Tested & Verified** to Increase COF by: *Moore Engineering Services & Sotter Engineering Corporation*

## Specifications

Appearance.....	Light Green
Boiling Point.....	near 212°
pH.....	5.0 (± 0.5)
Flash Point.....	Boiling
Stability.....	Stable
Product Code.....	NSF-8333

## ORDERING

- Available in 4 gallons per case.
