Mop Bucket	3 Ounces Per Gallon of Water
Spray and Buff applications*	6 Ounces Per quart of Water

\*use a hogs head or white buffing pad for best results.

## Important facts regarding Friction® Floor Care use:

1. Friction® is a daily cleaner.
2. Use Friction® in place of your neutral cleaner.
3. Do NOT mix Friction® with other floor chemicals.
4. Generally takes 5-7 applications to realize the maximum slip resistance attributes.
